IT IS HEREBY STIPULATED AND AGREED by the parties' counsel of record that Defendants will have an extension of time up to and including May 15, 2020 to answer or otherwise respond to Plaintiff's Complaint. This is the fourteenth request for an extension of this deadline.

The Complaint sets forth a purported wage and hour class action. The parties are still working to achieve and hopefully finalize the details of a form of settlement, and the monetary difference between the parties is now in the low five figures. The parties believe time is better spent on settlement negotiations than expending their and the Court's resources on litigation. Defendant will not be in a position to make any

1 final settlement decisions until they have a better understanding of the impact of  
2 COVID-19 on the future of their business.
